

EMB-Caraga conducts Orientation and Capacity Building for Bids and Awards Committee

The Environmental Management Bureau Caraga conducted a two- day Orientation and Capacity Building for Bids and Awards Committee on May 4-5,2016 at Samping Avenue, J.C Aquino, Butuan City. It was participated by the LGU Butuan of Bids and Awards Committee (BAC) headed by **Engr. Lorden Vismanos, the Chief Engineering Officer** and **Integrated Persistent Organic Pollutants (IPOP)s representative** , **Mr. Leonard Foller, Project Manager** and **Mr. Carlos Rivera , Finance Management Specialist** ,and the **BAC and Technical Working Group** of this Office.

The basis for the conduct of capacity building is **Republic Act No. 9184**, otherwise known as the Government Procurement Reform Act.

In compliance to the provisions of RA 9184 , a Bids and Awards committee (BAC) is organized at every branch or agency of the government thru the Head of a Procurement Entity (HOPE). The BAC conduct competitive and transparent purchases by means of public bidding or other approved alternative ways.

Event provider Mr. Carlos Rivera , discussed the rules and regulations of RA 9184 for the components of two (2) projects implemented in partnership with the Local Government Units with sub-grants to be provided by the DENR from

the GEF and with counterpart contributions from participating LGU's .The funding source of the said projects was granted by **Global Environment Facility through the World Bank, and GOP counterpart..** The project runs from **June 24,2011 and will end on June 23,2017.**
