

PCO Basic Training Course

The Environmental Management Bureau-Caraga Region in cooperation with the AMC Consultancy Services as recognized training institution holds a 3-day Basic Training Course for Pollution Control Officers, adopting the theme “Enhancing Awareness towards Sustainable Environment” at Dotties Place Hotel & Restaurant, J.C Aquino, Butuan City on July 25-27,2016.

The training aims to orient designated Pollution Control Officers of firms/establishments operating pollution source and control equipments as embodied under DENR Administrative Order No. 26 and to ensure effective operation of facilities in accordance with the law and emission and effluent standards.

The basic training course provides current environmental regulations and programs that serve as guide in the effective dispensation of PCO functions.

Engr. Albert G. Arcamo, the Chief EMED of EMB-Caraga has emphasized the DAO 2014-02 dated February 3, 2014 regarding the revised guidelines for Pollution Control Officer Accreditation under section 13. END / JAT
