

Random Roadside Mobile Air-Conditioning System (MAC) Inspection/Testing

The Environmental Management Bureau - Caraga Region conduct Roadside Inspection/Testing of Mobile Air Conditioning (MAC) System on April 29,2016 at National highway (near St. Peter Seminary) , Barangay Ampayon, Butuan City. In coordination with the DOTC Caraga Regional Office, TESDA Caraga Regional Office and LGU of Butuan City through the City Environment and Natural Resources Office (City ENRO)

The conduct of MAC inspection/ testing has a part of regular activity of EMB Caraga to highlight the Environment Month Celebration. It was monitored in the compliance of transportation sector (motor vehicles) in the provisions of Republic Act 8749 (the Philippine Clean Air Act of 1999) and Republic Act 6969 (Toxi Substances, Hazardous and Nuclear Wastes Control Act of 1990) concerning the use of ozone depleting substances
