

LGU CABADBARAN HOLDS AN ORIENTATION ON ADOPT-AN ESTERO/WATERBODY PROGRAM

The Local Government Unit of Cabadbaran City holds an Orientation seminar on Adopt-an Estero/Waterbody Program in coordination with DENR-EMB Caraga. It was participated by Barangay Officials, community leaders and representatives from local government, academe, and the private sector partners on July 5, 2016 at the Mayor's Conference Room, People's Government Center, Cabadbaran City.

The adopt-an Estero/Waterbody Program is one of DENR's priority program.

The Adopt-an-Estero Waterbody Program is a collaborative undertaking between and among the Estero Community, Donor-Partner/s, Local Government Unit/s and the Department of Environment and Natural Resources thru EMB to achieve a cleaner, safer and healthier environment.

Engr. Renato C. Tacubao, Chief-Ambient Monitoring Section of DENR-EMB Caraga, discussed the background, information needs and pre-implementation, implementation activities, donor partner, monitoring and evaluation ,regional implementation on Adopt-an Estero/Waterbody Program and Memorandum of Agreement between donor partner and DENR-EMB Caraga .END/JAT.
